PASSPORT PROGRAM

If you are **18 years of age or older** and you have given consent to share your information with Passport, funding approval could take a few months.

Once you are approved for funding, your Passport agency will reach out to **confirm your acceptance of the funds.**

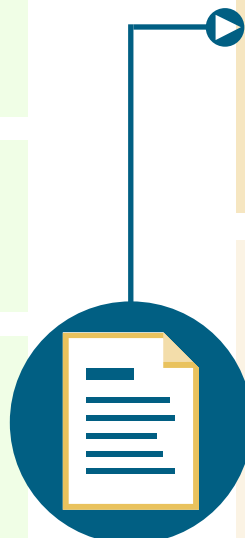

Your Passport agency provides you with information about the Passport program and **sends your approval letter for at least the minimum amount of funding and documents to complete and sign.**

Your Passport agency receives your signed documents and then you **will be notified when you can start submitting claims.**

If there are **any changes to your funding**, your Passport agency will contact you.

Any relevant **future updates** to your DSO about your support needs are automatically shared with your Passport agency.
