

Contact your DSO if you...

- **change your address or phone number**
- **finish school**
- **have a different primary caregiver**
- **have a change in the adult services you are receiving or adult services you are requesting**
- **have a significant change in your support needs (for example, serious illness or death of caregiver)**
- **need information on local community services or supports**

Contact your Passport agency if you...

- **change your address or phone number**
- **don't understand what services or items are eligible for Passport funding**
- **need help planning how to use your funding**
- **want to know how much funds you have available to use**
- **need help filing a claim for reimbursement**
- **want to change how the funds are being administered (for example, change to Person Managing Funds)**
